SUMMARY OF THE REASONS FOR DECISION:

The DVD *Intrigue and Pleasure* also known as *Private Black Label Intrigue & Pleasure* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

Intrigue & Pleasure contains a feature previously examined and classified as a video recording by the Office of Film and Literature Classification. The video recording was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was registered on 26 March 2002.

The DVD version of *Intrigue & Pleasure* contains additional material comprising *Scene Selection* (a facility that allows the viewer to enter any of the feature's six scenes of explicit sex, by clicking on one of the moving images presented on screen), *Language Selection* (a facility that allows the viewer to opt for one of the five languages listed on screen), *Subtitle Selection* (a facility that allows the viewer to select the five subtitles listed on screen), *Extra Material* which has a submenu that offers *Trailer*, *Report*, *Photobook*, *Production Notes* and *Other Titles*.

Trailer is the trailer for the feature, *Intrigue & Pleasure*. *Report* is the making of the feature which has a voice over and some information about the cast members and crew. *Cast* is information and photographs of some of the female cast members from the feature. *Photobook* has 43 still images (all of explicit sex) taken from the feature. *Production Notes* is a short synopsis on screen, of the feature as well as information about the DVD's release date and name of director and cast members. *Other Titles* are five trailers all similar in nature to the feature and all presenting explicit sexual material. There is nothing in the DVD version that requires an alteration to be made to the classification given to the video recording version of the publication. Therefore the previous classification of *Intrigue & Pleasure* as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years" is appropriate, with the same descriptive note.
